

WHAT'S HAPPENING AND AROUND & ABOUT WITH PRESIDENT BILL

Last Monday's meeting

A lesser number of members attended on an evening when we inducted new member Peter Wiltshire, Peter will serve on the Youth Committee and is a custodian of the classification Religion Ministry, Peter's wife Julie was also welcomed and presented with her dinner badge. Peter will be mentored by Past District Governor Ray Martin.

Our fountain of Rotary knowledge and Past District Governor Merv Williams again treated us to "Merv's Education Moment" This week Merv highlighted an inspiring story, involving a member of a Rotary Club in North Queensland who chanced upon 2 children on a trip to Cambodia, who were orphaned and in danger. Through Rotary, funds were raised that ensured these children were given opportunity and received a quality education to the point that they are now very well regarded university qualified professionals. Demonstrating once again how one small opportunity can do so much. Through the Rotary Foundation, these peace fellowships are available in many parts of the world. Further reminding us of the big picture.

Our guest presenter was Julia Young - Heritage and Cultural Advisor to the Mornington Council gave an interesting summary of her role. Aply Chaired by our Honorary Rotarian Gill Gordon, Julia touched on how her role involved Community Strengthening partnerships and Community Activation through various events and festivals. She also explained how Cultural Heritage includes artefacts, monuments, groups of buildings, sites and museums that have a diversity of values including symbolic, historic, aesthetic, ethnological or anthropological, social and scientific significance.

Put simply, it all matters, whether tangible, intangible, embedded into culture or underwater. Julia took a number of questions from the floor and the members were given a brief but valuable insight into her interesting and diverse role. We thank Julia and would welcome her back in the future.

A Fundraising Opportunity

Roger Annear has shared an opportunity for us to, at short notice admittedly, assist with parking during the Great Outdoor and 4x4 Expo at Mornington Racecourse parking on the Labour Day weekend of 10th to 13th March.

The Roster is on page 5 of this Bulletin (its different from the one Emailed by Secretary Janet earlier this week with more shifts on the Saturday and less on the Monday so, please if you can assist, notify Roger, we are trying to do this but will not be able to if members cannot or will not support this. Remember we can raise \$3,000 - \$4,000 for a valuable project, so please consider your involvement.

This Monday's Club meeting

This Monday 27th we host Mount Martha Lifesaving Club representatives who will receive their funds from the Australia Day Barbecue etc. We also welcome club supporters Paul Nitas from Hillview Quarries and Gary Sanford from Bendigo Bank on this very important evening.

Our Guest Speaker is Mr Barry Weller and David Wheeler will chair this part of the meeting. Barry followed a career as a photographer for some 50 years plus. He spent 6 years as the assistant to Mr Norman Parkinson, the Worlds greatest fashion and portrait photographer.

Barry has travelled to all corners of the World to shoot pictures for fashion magazine Vogue. He has met the most famous and well known people that most of us only read about. He will give us a bit of "Goss" and show us some amazing pictures. He tells me he will give away a couple of his books on the night to those that can answer a simple question that he will pose, it's a bit of fun, so pay attention.

Barry assures me his talk will be very light hearted and sometimes very funny.

This is an ideal night to bring along your partner and/or friends to hear a great Speaker

Clean Up Australia Day

When: Sunday 5th March - 9.00am

Where: sign in at the BERG desk outside Ritchies IGA

What you will be doing: We have been allotted the area along Balcombe Creek from the Rotunda to the bottom end of Henley Avenue

What will be provided: We will be given bags but apparently, they are in short supply, so if you have some bring them (ideally hessian or similar – not plastic!)

What you need to bring: Gloves and tongs for those items you don't want to touch or are out of reach. Be mindful of weather conditions e.g. water and/or rain coats and sturdy shoes!

Yours in Rotary

President Bill
