

PRESIDENT ROGER'S WEEKLY BLOG

Greetings Rotarians and Friends

I trust you are making the best of lockdown over this Queen's Birthday Long-Weekend....within your 25 kms

Strategic Review – Monday 7 June

Thank you for your participation. It was a useful review of how we wish the club to run. Wayne is collating the responses and I'll put them in the Bulletin next week.

Changeover – Monday 28 June The Mornington Hotel

The Mornington Hotel have advised that at this point they are still unable to confirm the numbers they can accommodate. We are hoping it won't be on Zoom again this year.

Tim Jolly's move

Tim's sister Lesley Strang has sent a letter of thanks Peter, Byron, Rob and Wayne for helping Tim move and rescheduling to beat the lockdown. She has also kindly donated \$500 to the club. We'll ask Tim how he would like this donation spent.

Committee Meetings.

The International & Foundation, Membership and Community Committees are meeting this week, full meeting details are on page 2 of the Bulletin. The Youth Committee is not meeting this month.

Meeting Monday 21 June

Hopefully, we can meet face to face. I'll ask each new Director to present their plans for 2021-22 including what funding has been approved for their projects.

New Rotary Area of Focus - Environment

Rob Davies has agreed to champion whatever 'Environment' projects the club decides to undertake.

Programs – October 18.

I'm delighted to report that David Price and Janet Pugh have been able to secure Tim Costello to speak on Gambling on the Peninsula. It will be a big night and one to invite your contacts. Given that The Mornington Hotel is a gambling venue we will probably need a different venue. Save the date now.

Cheers.....Roger

For those who have missed our “funnies” they are back again for a few weeks thanks to Phyl Scales

I'd like to thank my legs for always supporting me. My arms for always being by my side, and my fingers... I could always count on them.

Don't worry about walking a mile in my shoes. Just try a whole day of thinking in my head.

THE BLONDE JOKE TO END ALL BLONDE JOKES

A girl was visiting her blonde friend, who had acquired two new dogs, and asked her what their names were. The blonde responded by saying that one was named Rolex and one was named Timex. Her friend said, 'Whoever heard of someone naming dogs like that?' 'HELLLOOOOOOO.....,' answered the blonde. 'They're watch dogs'!

The average person walks 913 miles per year & drinks 556 glasses (27.8 Gallons) of wine per year...,

That is 33 miles per gallon, which pretty good going!
